I think I'm good at Football. Because I like football. Football is the most exciting sport to me. I often play football with my friends. Sometimes I play alone. When I was 6 years old, my dream was become a professional footballer. Let's think, what qualities we need to become a footballer. Firstly, we need experience. If we don't have a football experience, we won't become a footballer. It's very important to know rules. Secondly, in my opinion we need a good stamina and speed. Stamina is one of the most important qualities. Because it's not easy to run 90 minutes at big stadium. What about speed? Speed is good counter to slow players. The fastest players that I know is - Gelson Martins, Haaland, Kylian Mbappe. Their speed is quite impressive. They're so fast that even defenders can't keep with them. So I think that speed is very useful quality. Sadly, I stopped to follow this dream. But I was having these qualities. My speed was not very good, but not bad. But I noticed that my endurance has become worse.
