I have several hobbies. Because, I like develop in different areas. For example, my main hobby is do sports. Sports like volleyball, tennis. I have been playing them since childhood. My dad taught me how to play volleyball at the age of 9. I learned to play very well and quickly. He saw that I was good in this area and gave it to volleyball. I won volleyball olympiads but later I stopped being interested in volleyball and I left. And then I developed into dancing. To this day I am dancing and really like. Thanks to dancing, I'm good at gymnastics too. I move and dance well:)
