3. Write about your personal goals for this year at school.

I want to finish this year with good grades. Because education is very important for me. I want to study English at a professional level. And in the future I want to become a teacher or work in a foreign company. I will study very hard in this year. And improve the level of physics and chemistry. Recently I liked to play volleyball. It's just amazing. I am trying to spend my free time profitably. Also I like play football. When I was little, I played football with my older brother. And I still play. I am interested in piano. I want to learn piano in the future. Because piano is soulful and beautiful sound. I enjoy to study English. I watch films for instance, Harry Potter, Friends and so on. And I translate into Russian.

In the future I want to be a volunteer. Because it's charity. I want improve our environment and ecology. With a team to collect garbage, help poor people and homeless animals. I'd like to plant a lot of trees and flowers. I'd like to fine people who don't recycle bottles. Because our environment so matter for us.
