2. Story

I was walking home from the sports centre when a man came up and asked me for help. This man looked not good and dirty. So I was scared if he some kind of kidnapper or murderer. He asked me if I can help him because he's getting chased by some people. I thought it was some (some) kind of trap to kill me or rob me. I said that I can't help. But the man was begging me for help. I yelled at him and said I'll call the police if you will follow me. The man looked at me sadly and run away. I felt bad deeply in my heart for refusing. But, that was for my own safety.

Next day

I was preparing a lunch and watching news. And there started news about my city... and the street where yesterday I met weird man. The journalist said that in this street were found a body of man age 25-30. They didn't show the man picture.

So I decided to go to the police and get some more information. I ~~was~~ ^{was} praying if it's not the man I met yesterday. At first, police ^{man} were refusing in help and said that he is ~~not~~ going to show the man picture because it's private information. But after I explained

the whole situation he agreed to show the picture. He showed the picture and it was that men... The men I met yesterday and refused to help... I was so browed... I literally Judge ^{him} for looking dirty and refused to help... I came home and go to the bed. I felt so terrible.

The girl couldn't live normally after this. She quit her job and abandoned everything. Her hobby, her boyfriend. The man that she didn't help were even in her dreams. So she barely slept. Do you know the feelings when you don't anything except time ~~machine~~? For to go back and fix your mistake. She were thinking only about that men. Her condition were awful. Her family tried to help her but that didn't help. And if you want to know what in the end happened to this woman I will tell you. She ended up her life. She commit a suicide. She thought that she were the reason of death of that men. So we should never Judge people by their look. A little mistake destroy her whole life.
