Writing

Hey, dear.

Yes, all good, how about you? Oh, I'm so exciting and can't wait that moment when I see you and to hug, so much! And if I don't forget I arrive about 25th of December, at 7 p.m. I choose this time, because soon be the New Year and I wanna chill with you more time and of course do the party for this. London? Oh my god! I love it! I will enjoy all of this we do if we will do it in London, girl! But most of things that I prefer are festivals and carnivals. I like to dress up, sing and dance. In short I like active pastime. I'm not squeamish and I don't choose food. I love eat so I will eat all ~~of~~ kinds of food you choose for me. Probably most likely I want to try the national dishes of British. If we are ~~active~~ stay at London, I want to try everything there. I am a lover especially of sweets, keep it mind! If you give me sweet marmalades, then I will hug you until you drop. Love you, and wait me.
