Task 3.

If I were to go to Mars for 6-months, I would take 5 meals with me. I would take vegetables like potatoes. Then I would take them to Mars and I would multiply and grow. Then I would take water. I will go to Mars and open a company with water. And my third food will be fruits. Fruits are my favourite. I will take apple, banana, orange, grapes, grenade. They are very healthy for our organism. Then I will be take chocolate. Chocolate will takes down the stress. We need pick up thinks that we needs. After I go to Mars, I will do many things to beautify Mars. We need to develop the whole planet for the better. Maybe there are new things on Mars that we don't know about. We need to discover all that new stuff. Nowadays, if you ask everyone, they will say that are ready to go to Mars. I think we will last 6 months on Mars with the 5 foods we will endure and change Mars for the better.
