Student B.

It depends on each state and country.

American people mostly like to play tennis.

They are play tennis, which is played on a large hall.

Some countries prefer to play table tennis.

Tall people are good at playing basketball and volleyball.

They play in their free time, when they want. It is their hobby.

Turks play golf a lot in their free time. He calls his friends and plays while drinking coffee or tea.

There are people who are boxing champions in Kazakhstan.

I want to make more popular even higher than football.

Because football level is the highest in the world.

It has already been recognized by the world.

Currently, our girls are showing good results in sports.
